

Dear Friends,

This year, we invite you to join a powerful, reflective and deeply meaningful giving experience: our **7-Day Stay-at-Home Fundraiser**, beginning December 7, 2025.

From the comfort of your home, you can take part in a week of awareness and generosity that honors communities around the world facing genocide, crimes against humanity and ongoing human rights violations.

Instead of purchasing meals out, we invite you to donate the equivalent cost each day to support CoAGG's education, advocacy and prevention initiatives. After you donate, listen to a podcast of the day. Your participation amplifies our mission: Never Again...For Anyone.
